

## API China & INTERPHEX China Partner Appreciation Trip in India

During the month of August and September, API China & INTERPHEX China team organized a series of networking events in India to deepen the strategic relationship with partners and supporters. Promoting bilateral strategic trading network of pharmaceutical players between India and China was the focus of this mission.

Industry leaders and API buyers from India have expressed high level of satisfaction after attending Sino-India Partnership Program (SIPP) and India Buyer Port (IBP) during API China Spring 2009 in Xi'an.

In the upcoming API China & INTERPHEX China this autumn in Beijing, all SIPP participants and IBP members will enjoy free access to bilingual interpreters on pre appointments, will avail facility SIPP meeting rooms to conduct meeting with Chinese manufacturers in noise free comfort place, and will have free India luncheon at SIPP lounge on exhibition days.
